Re: U.S. Patent Application for "Hanger Bar Assembly"
Inventors: Cong Thahn Dinh, Harsh Gupta & Mark Drane
T&B Reference No.: T&B 1632

Dear Mr. Gupta:

This is a follow-up to my correspondence of June 5th, June 18th and July 13th. I have not received a response to my letter. We really need those papers signed and returned as soon as possible in order to keep this application from going abandoned.

If there is a problem or if you have any questions, **please** do not hesitate to contact me at 252-5985. Thank you for your prompt attention to this matter.

Sincerely,

Jill Pierce
